#### 4. FINAL PROVISIONS

- 4.1 This Framework Agreement is concluded for an indefinite period of time.
- 4.2 This Framework Agreement shall become valid when the Client electronically signs the Framework Agreement in the wording offered to the Client for conclusion via the Application using the Authentication Elements.
- 4.3 The Framework Agreement shall take effect upon making the Account available in the Application to the Client. With the effectiveness of the Framework Agreement, other CO2IN Services will also be made available to the Client, however, until the Verification the Client will be only entitled to deposit funds into the Account up to the Basic Limit, CO2IN Services will be limited within the Basic Limit and it will not be possible to withdraw funds from the Account. Verification must be completed to use the CO2IN Services above the Basic Limit. The Company is entitled to limit the CO2IN Services by the Limit of funds deposited into the Account, while the Limit will be stated in the Fee Schedule or the Client will be informed of the Limit by the Company.
- 4.4 Should a competent court or other authority find any provision of this Framework Agreement null, invalid or unenforceable, the other provisions of this Framework Agreement shall persist provided that the Parties would enter into this Framework Agreement even without such a provision, if they had recognized the nullity, invalidity or unenforceability of such a provision in time (severable arrangement). In which case, the Parties shall, without undue delay, conclude corresponding amendments to this Framework Agreement, that will enable the same result to be achieved and, if not possible, a result that is as close as possible to what should have been achieved by the null, invalid or unenforceable provision.
- 4.5 No ancillary oral agreements to this Framework Agreement have been made. Amendments to this Framework Agreement must be made in writing, unless otherwise stated in the Documents. The same applies to the amendment of this provision.
- 4.6 The Framework Agreement is executed in two counterparts, of which the Party will receive one copy each via the Application.
- 4.7 The Framework Agreement and the contractual relationship arising from it are governed by the law of the Czech Republic. All disputes between the Parties arising out of or in connection with the Framework Agreement will be resolved exclusively by the competent courts in the Czech Republic.

The Parties expressly declare that they have read this Framework Agreement before signing it and that they conclude it after mutual discussion according to their free and true will, not in distress or under noticeably unfavourable conditions.
